### ANGLO-IRISH JUMP CLASSIFICATIONS 2016-2017

This is the eighteenth full Anglo-Irish Jump Classification. It classifies the best steeplechasers and hurdlers that were trained in either Britain or Ireland during the 2016-2017 season, or in France if that performance was achieved in Britain or Ireland. It is not a handicap but a retrospective measurement of best sustainable performances during the recent season so there may be differences from current handicap marks.

The classifications are for all chasers and hurdlers down to a rating of 140. The steeplechasers are divided into distance categories of 2 miles to 2 miles 2.5 furlongs, 2 miles 3 furlongs to 2 miles 6.5 furlongs and 2 miles 7 furlongs plus. They are included in the list in which the handicappers believe they have put up their best performance.

The hurdle categories are similar except that they are divided into two distances of 2 miles to 2 miles 2.5 furlongs and 2 miles 3 furlongs plus.

There is a separate classification identifying Novices rated above 140. Juvenile Hurdlers are included in the Novice section.

Horses trained in Ireland have \* appended after their name. Horses trained in France but have a performance at 140+ in Great Britain or Ireland have \*\* appended after their name. Mares are in italics.
