All rights reserved. No part of this material may be reproduced or transmitted in any form or by any means, including photocopying, recording or re-publication without the written permission of the British Horseracing Authority to whom such application for permission should be addressed. Such written permission must also be obtained if any part hereof is stored on a retrieval system of any nature.

**HANDICAPS AND OTHER RATING RELATED RACES
HANDICAP RATING FOR QUALIFICATION**

Before making entries for Handicaps and other Rating Related races, reference must be made to the qualifying Rating Lists published on the Information area of the British Horseracing Authority Racing Administration Service Internet site each Tuesday. These ratings will apply for qualification purposes for races closing on the Tuesday of publication through to the following Monday. Amendments to these qualifying ratings will also be published, for information, on the Information area of the Racing Administration Internet site.

HANDICAPS WITH SPLIT ENTRY STAKE FEES

For those Handicap races which have a split entry stake fee dependent on the Handicap rating of the horse, i.e.

- £xx stake if the horse is rated aa or higher, or
- £yy stake if the horse is rated bb or lower with
- £zz extra if the horse is declared to run

The relevant stake fee shall be determined by the Handicap rating used to calculate the weight for each horse entered in the race in question, and not by the published qualifying rating, if any.

The conditions of races appearing in this book are subject to alteration before closing. The final conditions will appear in the relevant Racing Calendar in advance of the closing date.

Thursday (Bank Holiday), December 26th

THE LADBROKES CHRISTMAS HURDLE RACE (CLASS 1)

(Grade 1)

TOTAL RACE VALUE £130,000

Distributed in accordance with Stakes and Prize Money Code

£74,035 to the winning horse

The second to receive £27,781, the third £13,910, the fourth £6,929,
the fifth £3,484 and the sixth £1,742

for four yrs old and upwards, which are allotted a rating of 130 or more by the BHA Head of Handicapping following a review of the horses entered and after taking account of races run up to and including the day prior to closing. Horses which are not qualified for a rating in Great Britain, Ireland or France may also be entered. Such horses may be eligible providing the Handicapper is satisfied that the horse's racecourse performances up to and including the day prior to closing would merit a minimum rating of 130. The decision of the BHA Head of Handicapping shall be final.

ANGLO-IRISH JUMP CLASSIFICATIONS 2018-2019

This is the twentieth full Anglo-Irish Jump Classification. It classifies the best steeplechasers and hurdlers that were trained in either Britain or Ireland during the 2018-2019 season, or in France if that performance was achieved in Britain or Ireland. It is not a handicap but a retrospective measurement of best sustainable performances during the recent season so there may be differences from current handicap marks.

The classifications are for all chasers and hurdlers down to a rating of 140. Both the steeplechasers and hurdlers are divided into distance categories of 2 miles to 2 miles 2.5 furlongs, 2 miles 3 furlongs to 2 miles 6.5 furlongs and 2 miles 7 furlongs plus. They are included in the list in which the handicappers believe they have put up their best performance. This is the first season that the hurdlers has been divided into three categories to match the steeplechasing division.

There is a separate classification identifying Novices rated 140 and above. Juvenile Hurdlers are included in the Novice Hurdle section.

Horses trained in Ireland have * appended after their name. Horses trained in France but have a performance at 140+ in Great Britain or Ireland have ** appended after their name. Mares are in italics, Hunter Chasers underscored.

The ratings were agreed and compiled by;

Andrew Shaw	Ireland
Martin Greenwood	Great Britain
Andrew Mealar	Great Britain
David Dickinson	Great Britain
Chris Nash	Great Britain
Michael Harris	Great Britain
Shay Quinn	Ireland
Gordan Markham	Great Britain

The Handicappers are grateful for the assistance provided by

Dominic Gardiner-Hill	Great Britain
Eric Castela	France-Galop
Lyn Bowker	BHA

Stabling: Trainers are not required to order stabling unless overnight accommodation is required.

Tel: Wincanton (01963) 435840 by noon on the day prior to racing. The 94 boxes will be allocated on arrival.

If overnight stabling is required, advance notification must be given.

JUMP PATTERN COMMITTEE

AIMS

1. The Jump Pattern Committee (the Committee) aims to assist the provision of a co-ordinated programme of quality races in each age, sex and distance category.
2. The Committee aims to achieve a balance of Grade 1, Grade 2 and non-handicap Listed races within the Pattern and Listed race structure, so that there are more Grade 2 races than Grade 1, and that the total number of Grade 2 and non-handicap Listed races should be at least double the total number of Grade 1 races.

ADMINISTRATION

1. The Secretariat will be provided by the British Horseracing Authority's Racing Department.

GROUND RULES

1. GENERAL RULES FOR PATTERN AND LISTED RACES

Every Jump Pattern and Listed race must conform to the following rules:

- 1.1 It must have no geographically-based conditions of entry with regard to the place of the horse's birth, training or ownership.
- 1.2 Grade 1 and 2 races must have a permanent element in the title, to which a prefix or suffix may be added.
- 1.3 It must justify its grading by the quality of its runners, assessed primarily by its Average Race Rating.
- 1.4 An Average Race Rating is the average of the Yearly Race Ratings achieved by a race over a three-year period. The Yearly Race Rating is the average of the official ratings of the best four horses to start in the race in any given year. If a race attracts fewer than four runners, then a rating 30lb below the relevant parameter (down to a base of 100) will be inserted to make up the fourth (and where necessary third) rating. Any horse which is included amongst the four highest-rated runners in a race but which has a rating below the designated figure (either 30lb below the parameter or 100, whichever is the higher) will have that rating inflated to that figure. This is to avoid penalising a race for attracting horses that, in their absence, would actually have resulted in a higher race rating. Where a race has been abandoned after declaration stage, the annual rating is calculated by taking an average of the four highest rated declarations. Should the race be abandoned before declaration stage, no annual rating will be generated. In addition, the actual weight allowance received by any fillies and mares in open competition will be added to their official ratings for the sole purpose of calculating Yearly Race Ratings. If a race is abandoned during any three-year period and no Yearly Race Rating generated, the Average Race Rating will be calculated using the average of the three most recent Yearly Race Ratings available. The Average Race Ratings below are the standard which a race should achieve to justify Pattern or Listed status:

Pattern Races

Grade	Hurdle	Chase	Open		Mares' Races	
			NHF	Hurdle	Chase	NHF
Grade 1	155	155		148	148	
Grade 1 (Novice)	140	140	130	133	133	n/a
Grade 2	150	150		143	143	
Grade 2 (Novice)	135	135	125	128	128	118
Grade 3	145	145		138	138	
Grade 3 (Novice)	130	n/a	n/a	123	n/a	n/a

Listed Races

Grade	Hurdle	Chase	Open		Mares' Races	
			NHF	Hurdle	Chase	NHF
Listed	140	140		133	133	
Listed (Intermediate)		135	135			
Listed (Novice)	125	125	115	118	118	108

- 1.5 Grade 1 races must be run with no penalties or allowances other than a sex allowance. Grade 2 races must be weight-for-age races or limited handicaps. Grade 3 races must be open handicaps with no rating-band restriction.
(Note: A Pattern race below Grade 1 which is open only to first and second season horses may have a restriction of rating placed within the race conditions, by permission of the Committee.)

2. DEFINITION OF CHANGES TO THE JUMP PATTERN

Any changes to Jump Pattern or Listed races must be agreed by the Jump Pattern Committee and subsequently approved by the Board of the British Horseracing Authority. For the purposes of the Ground Rules, changes are defined as:

- 2.1 Any change of a Grade of a Pattern race.
- 2.2 Any change to the conditions or date of a Pattern or Listed race.
- 2.3 Any change to the permanent element in the name of a Pattern race.
- 2.4 A change of more than 50% in the total value of a Grade 2 or 3 Pattern race.
- 2.5 The introduction of a new Pattern or Listed race
- 2.6 The deletion of an existing Pattern or Listed race

3. RULES GOVERNING JUMP PATTERN AND LISTED RACE CHANGES

3.1 Upgrading of existing Pattern and Listed races and the creation of New Pattern and Listed races

The following rules shall apply to the upgrading of Pattern races by Grade and admission of new races to the Pattern, and the creation of new Listed races, and shall be waived only in exceptional circumstances

- 3.1.1 To qualify for upgrading or admission to the Pattern, a race must have been run with similar conditions and comparable prize money, and on approximately the same date, for the last three years at least.
- 3.1.2 Promotion or admission of a race must be justified by the quality of the runners, assessed by the ratings of the best four horses, in the last three years at least. The criteria shall be the standard ratings for Pattern Grades set out in paragraph 1.4.
- 3.1.3 No race shall be eligible for promotion to Grade 1 or 2 if this would involve a clash liable to have adverse effects on an existing Grade 1 or 2 race.
- 3.1.4 A new race satisfying the requirements for admission to the Pattern must be introduced as a Grade 2 race (if a weight-for-age event or limited handicap) or a Grade 3 race (if an open handicap).

3.2 Downgrading or Deleting Pattern or Listed Races

At the Jump Pattern Committee's end of season meeting, all races will be assessed. The following rules shall apply to the downgrading/deletion of Pattern and Listed races: 3.2.1 If the Average Race Rating is more than 3lb below its parameter, a warning letter will be issued to the relevant racecourse.

- 3.2.2 If the Average Race Rating is more than 3lb below its parameter for two consecutive years then a majority vote will decide if the race should be downgraded.
- 3.2.3 If the Yearly Race Rating is below the parameter in each of the last two years a warning letter will be issued to the relevant racecourse.
- 3.2.4 If the Yearly Race Rating is below the parameter in each of the last three years it will be downgraded automatically.

In assessing upgrades, admissions, downgrades or deletions of races, the Jump Pattern Committee will not take decisions based solely on ratings criteria. Other factors will additionally be taken into account, including: race-planning requirements; the average field size attracted by the race; and the effect on the shape of the British Jump Pattern as a whole, including geographical considerations.

4 NOTIFICATION & IMPLEMENTATION OF CHANGES

- 4.1 Any proposed changes that a racecourse may wish to be considered for the season must be submitted to the Racing Department by the end of May. No proposals will be considered after this date, unless otherwise directed by the Committee in exceptional circumstances.
- 4.2 Until agreement has been reached by the Committee, and where necessary approval received from the Board, there must be no official statement to the media of any proposed changes to Pattern and Listed races.
